HELPING TO MAKE CANCER HISTORY

You are cordially invited to participate in our 15th annual **"Pitch and Putt for a Cure"** Tournament to be held on Monday, June 20, 2016. Inspired by Jim Hooton, an FMC employee who lost his battle with leukemia in 2001, we invite you to 'Help Make Cancer History' by supporting cancer research.

In 2015, through your donations, "Pitch and Putt for a Cure" raised \$40,000.00 for M.D. Anderson Hospital and cancer research. Your participation has truly helped many people as they fight this dreaded disease. The goal of this tournament is to get as many of your dollars as possible into the hands of doctors and researchers who can really make a difference.

THE VENUE

Windrose Golf Club will provide the excellent venue for you to "grip it and rip it" for leukemia research. The format of the 8:00 AM shotgun start will be a 4-ball scramble. Lunch will be provided. For more information and directions, please visit www.windrosegolfclub.com.
